

Stonyledge Farm Meat CSA

Ed & Belinda Learned, Stonyledge Farm (860) 287-1140
58 E. Clarks Falls Road, N. Stonington / 107 Kuehn Road, Hopkinton, RI
stonyledgefarm@verizon.net

Stonyledge Farm has been perfecting their raising practices of pasture-raised meats over the past 25 years. In preparation for the cooler weather, and your need for fresh meats for hearty meals, we are again offering a 3-month or 6-month meat CSA. Your purchases help us meet financial needs this time of year on the farm, while providing clean meats for the base of healthy meals for your family. We will put together an assortment of beef, pork, chicken and veal (optional) cuts for a flat rate of \$9/lb in 10-, 15- and 25-lb sizes. You can sign up for a 3-month share (Jan.-March) or a 6-month (Jan.-June). Pick-ups will be at our farm by appt., Saturdays at the Stonington Farmers Market, or a home delivery can be made on a Tuesday for a small fee. Payment is due each month at pick-up. Please see the next page for a list of the different size/weight shares available and to sign up.

Our beef is 100% grass fed, both in the pasture and in the form of wrapped round hay bales over the winter. Our pork is raised in a woodland setting – they are land-clearing bulldozers and know what to do with left over garden produce! As soon as our chicks do not require a heat light for warmth, they are moved to portable chicken tractors in the hayfield surrounding our lower garden. Here, they are protected from predators and moved to new grass every day. The green grass left behind after the chicken tractor has moved through is a wonder! Bright green grass with nothing but the fertilizer and aeration the chickens left behind. We believe that sunshine, exercise, good diet and happy, stress-free lives create flavorful and tender meats. Our meat animals are never fed anything unnatural i.e. antibiotics, growth hormones, etc. Be secure in knowing where your food comes from, support local farmers and open space, and serve delicious & tender meats to your family by buying a share today. Whether grilling, oven-roasting, or in a crock pot, our meats will be the focal point of healthy and nutritious family dinners.

All our meats are processed in USDA inspected facilities. They are the same ones used by “certified humane” growers and are respectful in the treatment of our animals. The smokehouse we use to create our bacon, hotdogs, kielbasa, etc., is all natural and uses spices that I’m sure you all have in your spice rack. They do a tasty job with our meats!

Please see the next sheet for share options and to sign up. Thank you in advance and we look forward to feeding you and your family!

To sign up, please check off the appropriate choices below:

3-Month share will consist of one pick up per month, January-March:

10-lb. _____ (\$90) 15-lb. _____ (\$135) 25-lb. _____ (\$225)
